He is or has been a member of the editorial boards of journals Métropolis , Urbanisme , Flux and Cahiers de la métropole bordelaise .

Management

The Mobile Lives Forum is headed by Bernard Emsellem, Advisor to the President of SNCF.

Bernard Emsellem has a background in mathematics and the humanities. He later turned to strategy and communication consulting. Formerly head of SOFRES-Communications, he went on to create his own firm, was a partner at the FRANCOM group, president of the TWBA agency and communications director at SNCF. He is currently Advisor to the President of SNCF and president of the Mobile Lives Forum.

Directors Christophe Gay and Sylvie Landriève are responsible for steering, organizing and coordinating the Institute's activities.

Christophe Gay has combined training in international law (Sceaux), political science (Sorbonne) and psychosociology (Nanterre). After working on the image of big companies and local governments, he was the regional transportation communication director and then headed strategic planning for SNCF communications. An expert in mobility issues, he is behind the creation of the Forum.

[Contact.](#)

Sylvie Landriève has a background in the humanities (Sorbonne), urban and regional development (Sciences-Po Paris) and public policy management (Mines, Nanterre and ESCP). After working as real estate and urban projects manager for BNP Real Estate, she headed real estate management for SNCF and directed its assets management department. In 2016, she published a book : [L'Immobilier. Une passion française](#) (Demopolis). [Contact.](#)

Scientific and Artistic Direction

Vincent Kaufmann is the Mobile Lives Forum  scientific director. In charge of validating the scientific interest of Forum guidelines, actions and productions, he chairs the Steering and Strategic Foresight Committee and oversees the implementing of the Forum  projects at the scientific level.

Vincent Kaufmann, a Swiss sociologist, is one of the pioneers of mobility and inventor of the concept of motility. He is director of LaSUR at the EPFL, General Secretary of CEAT and professor of sociology and mobility analyses.

Javier Caletrio is the scientific advisor of the Mobile Lives Forum for the English-speaking world.

Javier Caletrio (BA Economics, Valencia; MA, PhD Sociology, Lancaster) is based at the Centre for Mobilities Research at Lancaster University. His research focuses on the relationship between mobility, technological development and social dynamics from a cross-cultural perspective.

Guillaume Logé is the artistic advisor of the Mobile Lives Forum.

Guillaume Logé is a researcher in Art History and Environmental Sciences (Ecole Normale Supérieure de Paris and Lausanne University). He owns Master degrees in Finance (SciencesPo), Law (Paris II), Literature (Paris III), former auditor at the Ecole du Louvre. He first developed partnerships at the Quai Brany Museum, then at the Orsay and Orangerie museums where he ended up becoming Advisor to the President.

The Team
